

# FRIENDS OF THE IDF NATIONAL RABBINIC CABINET MISSION TO ISRAEL

Dear Colleague,

As Chairman of the National Rabbinic Cabinet of Friends of the Israel Defense Forces (FIDF), it gives me great pleasure to invite you to participate in an extraordinary opportunity made available by FIDF to Rabbis and our guests throughout North America. FIDF is a vitally important and highly regarded organization dedicated to supporting the humanitarian-welfare of Israel's soldiers. FIDF's Rabbinic Cabinet is sponsoring its annual mission to Israel, from Sunday evening, December 20th through Thursday evening, December 24th, with generous subsidies available. ([Click here for more information](#))

Uniquely, this Mission constitutes an important opportunity for all rabbinic colleagues, across all denominations, and for those whom we invite to join us. With high level briefings from Israeli political and military officials, participants will gain a deeper understanding of the diplomatic, strategic, and security-related challenges facing Israel. By spending considerable time with Israeli soldiers we will be offered the opportunity to strengthen in person the hands and hearts of the young men and women who are truly *Oskim B'Tzorkhei Tzibbur B'Emunah*, in a manner unmatched throughout the Jewish world, as they serve faithfully to protect and defend our Homeland, on their behalf and on our own.

This Mission will assist us all, Rabbinic colleagues and either those whom we bring with us or those whom we accompany, in our efforts to encourage support for Israel among congregants, colleagues, and friends, and to better inspire effective advocacy on Israel's behalf.

As chairman of this special mission, please do not hesitate to call upon me with any questions regarding this extraordinary opportunity. You can reach me in my synagogue-study at (310) 377-6986 or by email at [RabbinicCabinet@fidf.org](mailto:RabbinicCabinet@fidf.org) at your convenience.

Let me take this opportunity to extend to you, your family and your *Kehilla* blessings for a *Ketivah Va'Chatimah Tovah*. May the year 5770 be one of peace and all that is good, for all of us and for our brothers and sisters in Israel.

Rabbi Isaac Jeret  
Chairman - FIDF National Rabbinic Cabinet
